- There was extensive discussion regarding clinic location. USM and UM were both offered as suggestions for clinic locations. UM was suggested as a possible way to help generate more interest from North Mississippi institutions. A **motion** to remain at USM was seconded and passed. (Rawls/Stringer)
- Clinic Dates were discussed at length. The two dates for consideration were Feb. 9-11 and Feb. 16-18. A **motion** to have the clinic the weekend of **Feb. 9-11** was seconded and passed and passed.
- Tryout location will be at Jones January 13th at 1pm. (tryout set C)
- Jeff Brown will upload the music to the website ASAP
- Discussion of Hotel Accommodations concluded with Mike Bass volunteering to call and block rooms at the Baymont Inn. (they will accept PO's)

David Dueitt (first choice in event of not having a “name” conductor)

David Wilson

- No motion on clinician was made or seconded. President Brown will call and check on availability
- Discussion of next year’s clinician ensued and was concluded with President Elect Mike Bass volunteering to secure Robert W. Smith for next year’s clinic.
- Kyle Hill presented that the State Board has changed its name to the Mississippi Board of Community Colleges. There was discussion about whether the organization should consider changing its name as well. No motion was made. (tabled)

The Association wishes Tom Carson well and prayers for a speedy recovery. We wish you and your family strength to weather the storm and look forward to having you in our midst once again. Godspeed.
