Dear Band Directors,

Enclosed are the percussion excerpts for the all state audition. In addition to these excerpts, students should be prepared to perform scales (up to 4 sharps, & flats) and demonstrate tuning ability on timpani. Students will also be required to sight read on an instrument of choice.

If there are any problems or questions, please contact me at (662) 472-9040 or by email: dduerden@holmes.cc.ms.us

(A copy of these faxed pages have also been sent through the mail.)

Thanks
